Re: 5,500' Sand, Reservoir B  
**Lake Long Field**  
Lafourche Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **KRITI EXPLORATION, INC.** for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the establishment of rules and regulations and the creation of a single drilling and production unit for the exploration for and production of gas and condensate from the 5,500' Sand, Reservoir B, in the Lake Long Field, Lafourche Parish, Louisiana, such unit to be designated 5500 RB SUA:

1. To establish rules and regulations and to create a single drilling and production unit for the exploration for and production of gas and condensate from the 5,500' Sand, Reservoir B, in Lake Long Field, Lafourche Parish Louisiana, said unit to be designated 5500 RB SUA.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the proposed unit with each separate tract sharing in unit production on a surface acreage basis of participation.
3. To designate Kriti Exploration, Inc. as operator of the proposed unit.
4. To designate the Kriti Exploration, Inc. – State Lease 328 No. 6 Well as unit well for the proposed 5500 RB SUA.

5. That any future wells drilled to the 5,500' Sand, Reservoir B, in the Lake Long Field, should be located in accordance with the spacing provisions of Statewide Order 29-E.

6. To authorize the Commissioner of Conservation to reclassify the reservoir by supplemental order without the necessity of a public hearing if the producing characteristics of the reservoir change and evidence to justify such reclassification is submitted to and accepted by the Commissioner of Conservation.

7. To consider such other matters as may be pertinent.

The 5,500' Sand, in the Lake Long Field, Lafourche Parish, Louisiana, was fully defined in Office of Conservation Order No. 717-K, effective June 26, 2001.

Pertinent data, including well logs, may be obtained AT THE COST OF THE REQUESTING PARTY from W.H. Robbins & Associates, 140 Rue Beauregard, Suite 100, Lafayette, LA 70508, Telephone No. (337) 232-5004.

Pursuant to the Revised Rules of Procedure, pre-application notice was given; however, no request for the conference was received. Therefore, the conference tentatively scheduled for Wednesday, August 21, 2002, WILL NOT BE HELD.

Attached hereto and made a part hereof is a plat outlining the proposed unit and a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being sent. Pursuant to the Revised Rules of Procedure, such plat (being the same plat attached to the notice dated July 29, 2002) and list of parties are being furnished only to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation; however, the plat and/or list of parties will be furnished by the undersigned to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Interested Parties and Represented Parties.

Finally, enclosed is our check on behalf of the applicant, in the amount of \$700.00, made payable to the Office of Conservation representing the required hearing application fee.

Very truly yours,

Jamie D. Rhymes
